SHARPEN YOUR GRANTSMANSHIP SKILLS

#AAASwebinar

Join AAAS and get free access to this exclusive on-demand webinar:
Sharpen Your Grantsmanship Skills
Available on-demand starting Tuesday, April 28 at 9 a.m. EDT

Dear Sharyon,

Let's face it, if you're a PI juggling teaching and research, among various other duties, submitting grant proposals can feel like a burdensome, daunting imposition on your time. But it doesn't have to be!

Available on-demand starting Tuesday, April 28 at 9 a.m. EDT, this **75-minute discussion** on grantsmanship will have you working smarter, not harder.

This webinar will show you:

About AAAS Webinars

AAAS Career Webinars feature real-world insights and thoughtful advice from seasoned professionals. Each webinar covers an important aspect of career development in

- Tips and strategies for maximizing your research productivity and your competitiveness for grant funding
- Advice for working with institutional grant offices
- Grant reviewing to improve your own grant writing

While this webinar is geared toward more established researchers, success at winning grants is critical at any stage of an academic research career, and the information will be beneficial to early-career researchers as well.

Our grantsmanship experts will answer questions submitted by those who register to watch this webinar. So be sure to sign up today!
