

**SOCIETY OF
AUSTRALIAN
SYSTEMATIC BIOLOGISTS**
**INVERTEBRATE BIODIVERSITY
AND CONSERVATION
CONFERENCE**

NEW GENERATION | NEXT GENERATION

National Conference
2015

SASB/IBC is Australia's premier conference devoted to biodiversity research. This year's conference, titled "New Generation | Next Generation" promises to deliver the latest findings in biodiversity, conservation and systematics. For more information please visit our website at <http://sasb2015.org>

6-9 December
The Esplanade Hotel, Fremantle
