

OCEANS OF PLASTIC

Taronga Zoo Science Week event

Thursday 20th August 2015

6pm – 8pm

Taronga Zoo Lecture Theatre
Taronga Zoo, Sydney

Participants: Anyone who has an interest in marine debris

Cost: \$5 for adults; \$2 for children/concession

RSVP: Monday 3rd August 2015

E: cfredrickson@zoo.nsw.gov.au

Enquiries: Cate Fredrickson, Taronga Zoo: (02) 9978 4554

Available for anyone in the community.

Come to hear from our wildlife health experts about the impact of plastics in our oceans, scientists working to pull micro-plastics from our environment and what we all can do to take action.

‘Injury and fatality to vertebrate marine life caused by ingestion of, or entanglement in, harmful marine debris’ has been listed as a key threatening process under the Environment Protection and Biodiversity Conservation Act 1999’
