

## MQRF Showcase

**Date:** Thursday 14<sup>th</sup> February 2019, 9am-12:30pm

**Location:** Level 1 lecture theatre, Australian Hearing Hub building, Macquarie University

The MQRF Showcase will celebrate Macquarie University research talent supported by the Macquarie University Research Fellowship scheme.

Twelve current Macquarie University Research Fellows will present their research projects and participate in panel discussions discussing their experiences with the fellowship from application through to managing their programs of research since

The MQRF Showcase will be an opportunity to celebrate the high quality and diverse research supported by the Fellowship. It will also offer postgraduate students, ECRs, and potential supervisors of MQRFs extra insight into the process and the value of the scheme.
