

Australian and New Zealand IODP Consortium

ANZIC ROADSHOW

February/March 2019

IODP
INTERNATIONAL OCEAN
DISCOVERY PROGRAM

ANZIC's Program Scientist **Assoc. Prof. Leanne Armand** will be visiting our institution on:

DATE: Friday 22nd February

TIME: 10:00–11:00

VENUE: Room 801, 12 Wally's Walk

Assoc. Prof. Armand will be presenting an overview of **ANZIC** and **IODP**, and information on ANZIC's upcoming **OCEAN PLANET WORKSHOP - Developing the New IODP Strategic Plan 2024-2034**, on in Canberra 14-16 April.

This is a unique opportunity to become aware of **ANZIC - IODP** and the current and future opportunities available to the Geoscience, Biogeo and Microbial communities.
