**MACQUARIE**  
University

Join us in learning how to be an effective Ally by taking up Macquarie University's Wear It Purple 2020 Challenge: Kicking off on Friday 28th August

## What's involved?

Every weekday from the August 28, you will watch and/or read bite sized resources to learn more about current gender, sex, sex characteristics and sexuality related topics and issues.

**This list of resources has been curated by the University of Wollongong Ally Network and shared generously with Macquarie University.**

All staff are encouraged to contribute to daily conversation through our [Ally Network Facebook account](#) where the links will be published.
