

QUEERS IN SCIENCE

Conversations with Queer Scientists: the spectrum of Science communication

20th October 6pm-7pm
followed by social session (BYO)

Dr Emilie Ens
Earth and Environmental Sciences
Macquarie University

Dr Hervé Sauquet
[He/Him]
Royal Botanic Garden Sydney

Associate Prof. Alice Motion
[She/Her]
School of Chemistry
University of Sydney

Join a conversation spanning citizen science involving indigenous communities, Breaking Good to discover new drugs with citizen scientists, and connecting Queer Scientists via Mardi Gras events.
