

From Discovery to Translational Science

ECR Symposium Series 14 May 2021

We are pleased to invite you to the first ASSCR scientific meeting for Early Career Researchers (ECR, student and postdoc level) in NSW.

14 May 2021, 10:30am-5:30pm

Westmead Education Conference Centre
Westmead Hospital, J L Auditorium, Level 2

The symposium will showcase basic & translational science including but not limited to:

- Stem Cells and Disease Modelling
- Vector design and gene editing
- Cell and gene therapy strategies
- Regenerative medicine
- Organoids
- Spatial Transcriptomics
- Computational biology

Symposium includes:

- Complimentary lunch-box
- Two oral presentations sessions featuring talks and flash talks
- Afternoon tea
- Prizes for best presentations
- Free dinner and fun

Deadline for abstract submission: 26 March 2021

FOLLOW THIS LINK TO REGISTER BECOME ASSCR MEMBER

Free for ASSCR members/\$20 AUD for non-members

ASSCR members will receive priority for talks, but we will include the maximum amount of presentations.

Only 70 places available at this symposium. Contact:
